

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for 1992 Sidewalk Repair Program

MEETING DATE: May 6, 1992

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to ACE Concrete Service in the amount of \$26,250.00 and reject the bid submitted by Robert Meza Construction.

BACKGROUND INFORMATION: This project will replace bad sidewalk which was damaged by City trees and other curb, gutter and sidewalk which is the responsibility of the City. The City has an on-going sidewalk repair program and this project will repair as many sidewalks as the Street CIP Budget will allow. The contractor on this project will also be used to install handicap ramps. Purchase orders will be issued to the contractor during the year as repair work is needed.

We are also recommending that the bid submitted by Robert Meza Construction be rejected. Mr. Meza's bid was not submitted on the proper form and the specifications clearly state that "No bid will be considered unless it is submitted on a proposal form furnished by the City of Lodi."

Plans and specifications for this project were approved on February 5, 1992. The City received the following five bids for this project:
